(3) I am an active member of the State Bars of California, Texas, and Wyoming and I am registered to practice before the United States Patent and Trademark Office;

(4) I am employed by the University of California, at the Lawrence Livermore National Laboratory, Livermore, California, as Assistant Laboratory Counsel and I am empowered to act on behalf of The Regents of the University of California, the owner of the subject application and the Beach Patent reference, U. S. Patent No. 6,222,872 to Raymond J. Beach, Eric C. Honea, and Stephen A. Payne;

(5) I am the attorney representing the inventors Eric C. Honea and Raymond J. Beach in the subject application and I am the attorney who prepared and filed the subject application, U.S. Patent Application Serial No. 60/662,392, entitled "DETECTION AND TREATMENT OF CHEMICAL AND BIOLOGICAL AGENTS" describing and claiming an invention by Eric C. Honea and Raymond J. Beach;

(6) I am one of the attorneys who represented the inventors Raymond J. Beach, Eric C. Honea, and Stephen A. Payne in The Beach Patent reference, U. S. Patent No. 6,222,872.

(7) The subject application and Beach Patent reference are commonly assigned to the Board of Regents of the University of California; the inventors Eric C. Honea and Raymond J. Beach in the subject application are the same persons as the inventors Raymond J. Beach and Eric C. Honea named in The Beach Patent reference;

(8) I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

(Signature)

Declarant: Eddie E. Scott
